Dear Chair Prozanski and members of the committee:

My name is Mary Senatori and I reside in northeast Portland.

I am calling on State legislators to **adopt Bill 796** to require citizens obtaining a concealed handgun license to be trained on how to properly shoot a gun.

Considering handguns are lethal weapons, considering the high rate of accidental shootings, considering that the operation of other equipment, like a car or a motorcycle that isn't designed primarily to kill living things, requires training – you really can't consider anything but a YES vote on Bill 796.

The 2nd Amendment doesn't trump common sense or public safety. Please **adopt Bill 796** to help ensure concealed gun carriers meet some minimal standards of safety and proper use.

Thank you,
Mary Senatori
