I appreciate very profoundly Lorelei and the committee to giving me the opportunity to become a vendor at the bazaar.

It was awsome, inspirational and very informative. The performers were amazing and their music went straight to my heart. What a talent🎉. I can't wait to get me one of the Alpaga Cape and also try the many delicious dishes.

Thank you for all the people who worked behind the scene to make the bazaar successful and to all my fellow vendors.

Happy Holiday🎈🌺💕

Please leave us a review! This will help PACCO get more grants to help you and other small businesses in our community. What did you like the most about your experience with the Business Oregon Technical Assistance Program administered by PACCO?

5 responses

- The business coaching is phenomenal. I'm excited to get the marketing and website together.
- Finding new friends that help connect to other fellow Filipino and American . Helping the community to create jobs.
- The people's really nice, our website.
- Thank you for providing our Company website its looks amazing!
- Thank You very much for this wonderful program. I was on the verge of looking for someone to help me create my site. A special Thank You to Amelia Salvador for sharing this opportunity with me.

Other helpful insights :

Tell us what other services you would benefit from if it was offered under the Technical Assistance Program?

- The marketing, branding, and technical help is wonderful; it gives us hope. I am most grateful for the business coaching and would like to be able to continue on with that beyond the program.
- Free marketing assistant
