Subject: HB 3444 testimony for 4/2/2015

Hello Ian,
I forgot how to submit testimony by email. Please pass on to
Chair Clem and the committee members,
My name is Clair Klock from Corbett, Or and I oppose HB 3444 based on the state of Oregon willingness to turn over public land to private industry for ridiculously small amount as in the case of the Elliott State Forest. I hope it will change but I really don't have confidence that the state acts in the best long-term interest of the public.
Thank you
