Subject: HB 2269
Date: Thursday, May 11, 2017 10:04:12 AM

To whom it may concern,

As an Oregon resident and voter, I strongly desire stronger legislation for clean air. Portland has very polluted air, and a significant contributor is dirty diesel engines. I support HB 2269, a bill that will fund the implementation of Cleaner Air Oregon. I urge all the Representatives to support this bill and not let business as usual kill the promise of a health based air permitting program.

Thank you for your consideration,
