Hi Oregon!

do you breathe?
oh great! - you do!

then please support HB 2269 to fund the critical work of Cleaner Air Oregon. If DEQ doesn't receive funding for this work, we know it will not happen, especially with the federal budget cuts we're facing. It makes no sense to go this far and not finish the job. Thank you for listening to the people not the profits!

I know the wealthy industries who pad your bank accounts would like to oppose any regulations to make them take 5 min longer to get there job done, but let's keep he interest of the entire state at hand, and make better choices. All people who BREATHE should support HB 2269. Even the wealthy corporations.

thanks
