Subject:	Cleaner Air for Oregon
Date:	Thursday, May 11, 2017 1:25:30 PM

To Whom it May Concern:
I am writing to express my support for HB2269. I live in Northwest Portland, a hotspot for air pollution. It is time that industry helped pay for the air pollution their activities cause. We are all paying in heart and lung diseases. Cleaner air will be a good deal for everyone in Oregon, and without funding, nothing can move forward.

Thank you for your attention.
