Subject:	Fund Cleaner Air Oregon!

Dear Sirs/Madams

I am a Portland area family nurse practitioner and have seen first hand the damage that our polluted air creates in young bodies. I am writing to implore you to back HB 2269 and have the polluters pay for cleaner air. **We are lagging far behind our West Coast neighbors and it is time for Oregon to step up to the plate and clean up our polluted air.**

Thank you.

Sincerely,

Dana Mozer, FNP
