75th OREGON LEGISLATIVE ASSEMBLY--2009 Regular Session

Enrolled House Bill 2079

Sponsored by Representative HUFFMAN; Senator FERRIOLI (Presession filed.)

CHAPTER

AN ACT

Relating to personal flotation devices; amending ORS 830.215.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 830.215 is amended to read:

830.215. (1) All boats [*shall*] **must** carry at least one United States Coast Guard approved personal flotation device in good and serviceable condition for each person on board. Each device [*shall*] **must** be of an appropriate size for the person for whom it is intended and [*shall*] **must** be readily accessible whenever the boat is in use. As used in this subsection, a personal flotation device is not "readily accessible" if it is stowed in a locked compartment or locker or is otherwise not immediately, physically available to persons on board the boat in case of an emergency.

(2) The State Marine Board by [*regulation will*] **rule shall** classify types of **personal flotation** devices and specify which types are approved for various classes of vessels. The [*regulations will*] **rules must** be consistent with, but [*shall*] **may** not exceed those regulations promulgated by the United States Coast Guard.

(3) Notwithstanding the classification by the State Marine Board of the types of personal flotation devices approved for various classes of vessels pursuant to subsection (2) of this section, a person operating a boat on any section of waters rated class III or higher on a commonly accepted scale of river difficulty, and all passengers in the boat, shall wear a properly secured personal flotation device. The personal flotation device must be of a type prescribed by rules adopted by the State Marine Board.

Passed by House February 23, 2009	Received by Governor:
