

FISCAL IMPACT OF PROPOSED LEGISLATION

Measure: SB 75 - A

Seventy-Sixth Oregon Legislative Assembly – 2011 Regular Session
Legislative Fiscal Office

Prepared by: Tim Walker

Date: 5/26/2011

Measure Description:

Makes permanent temporary provisions relating to post-prison supervision for offenders sentenced to one year or less of incarceration.

Government Unit(s) Affected:

Counties, Public Defense Services Commission, Department of Corrections, District Attorneys and their Deputies, Judicial Department, Oregon Criminal Justice Commission

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis: This bill would remove the sunset to certain provisions governing the post-prison supervision of certain offenders continuing the practices in effect during 2009-11. If the bill does pass, it would result in savings for the Department of Corrections (Community Corrections payments to counties) in the 2011-13 biennium of approximately \$1.0 million.

The Judicial Department and the Public Defense Services Commission will not have a fiscal impact.

The -2 amendment to the bill sunsets the bill on July 1, 2013 for crimes committed before that date.
