

**REVENUE IMPACT OF
PROPOSED LEGISLATION**
76th Oregon Legislative Assembly
2011 Regular Session
Legislative Revenue Office

Bill Number:	HB 3417
Revenue Area:	School Finance
Economist:	Dae Baek
Date:	4/4/2011

Measure Description: Specifies requirements of the financial management system for public charter schools. Requires that a school district's extended average daily membership (ADMw) be calculated separately for students in public charter schools and for students in non-chartered public schools. Removes the requirement that a school district with public charter school students not living in the school district transfer portions of the general purpose grant per ADMw of those students to their respective resident school districts.

Revenue Impact (in \$Millions): None

Impact Explanation: This bill causes a shift of school funds among school districts, but it does not add to or subtract from available school funds.

Creates, Extends, or Expands Tax Expenditure: Yes No
