12 279C.580. (1) A contractor may not request payment from the contracting agency of any amount
 13 withheld or retained in accordance with subsection (5) of this section until [*such time as*] the con-

 15 mined and certified to the contracting agency that the subcontractor is entitled to the payment [*of*]
 16 [*such amount*].

17 (2) A dispute between a contractor and first-tier subcontractor relating to the amount or
 18 entitlement of a first-tier subcontractor to a payment or a late payment interest penalty under a
 19 clause included in the subcontract under subsection (3) or (4) of this section does not constitute a
 20 dispute to which the contracting agency is a party. The contracting agency may not be included as
 21 a party in any administrative or judicial proceeding involving such a dispute.

22 (3) Each public improvement contract awarded by a contracting agency [*shall*] **must** include a
 23 clause that requires the contractor to include in each subcontract for property or services
 24 [*entered*] **the contractor enters** into [*by the contractor and*] **with** a first-tier subcontractor, includ-

33 (c) **A clause that requires the contractor, except as otherwise provided in this paragraph,**
 34 **to use the same form and regular administrative procedures for processing payments during**
 35 **the entire term of the subcontract. A contractor may change the form or the regular ad-**

 43 payment from the contracting agency, to pay [*to*] the first-tier subcontractor an interest penalty on
 44 amounts due in [*the case of*] each payment [*not made*] **the contractor does not make** in accordance
 45 with the payment clause included in the subcontract under paragraph (a) of this subsection. A con-

1 tractor or first-tier subcontractor *[may not be]* **is not** obligated to pay an interest penalty if the only
 2 reason that the contractor or first-tier subcontractor did not make payment when payment was due
 3 is that the contractor or first-tier subcontractor did not receive payment from the contracting
 4 agency or contractor when payment was due. The interest penalty *[shall be]*:

5 (A) *[For]* **Applies to** the period *[beginning]* **that begins** on the day after the required payment
 6 date and *[ending]* **that ends** on the date on which *[payment of]* the amount due is *[made]* **paid**; and

 10 *purpose of performance of such contract condition, a provision requiring]* **to require** the first-tier
 11 subcontractor to include a payment clause and an interest penalty clause *[conforming]* **that con-**
 12 **forms** to the standards of subsection (3) of this section in each of the first-tier subcontractor’s
 13 subcontracts and to require each of the first-tier subcontractor’s subcontractors to include such
 14 clauses in *[their]* **the first-tier subcontractors’** subcontracts with each lower-tier subcontractor
 15 or supplier.

16 (5)(a) The clauses required by subsections (3) and (4) of this section *[are not intended to]* **do not**
 17 impair the right of a contractor or a subcontractor at any tier to negotiate, and to include in the
 18 subcontract, provisions that:

19 (A) Permit the contractor or a subcontractor to retain, in the event of a good faith dispute, an
 20 amount not to exceed 150 percent of the amount in dispute from the amount due a subcontractor
 21 under the subcontract without incurring any obligation to pay a late payment interest penalty, in
 22 accordance with terms and conditions *[agreed to by]* the parties to the subcontract **agree upon**,
 23 giving such recognition as the parties consider appropriate to the ability of a subcontractor to fur-
 24 nish a performance bond and a payment bond;

25 (B) Permit the contractor or subcontractor to make a determination that part or all of the
 26 subcontractor’s request for payment may be withheld in accordance with the subcontract
 27 *[agreement]*; and

28 (C) Permit such withholdings without incurring any obligation to pay a late payment interest
 29 penalty if:

30 (i) A notice *[conforming]* **that conforms** to the standards of subsection (8) of this section has
 31 been previously furnished to the subcontractor; and

32 (ii) A copy of any notice *[issued by]* a contractor **issues** under sub-subparagraph (i) of this sub-

38 (D) Failure to make timely payments for labor, equipment and materials.

39 (E) Damage to the *[prime]* contractor or subcontractor.

40 (F) Reasonable evidence that the subcontract cannot be completed for the unpaid balance of the
 41 subcontract sum.

42 (6) If, after *[making application]* **applying** to a contracting agency for payment under a **public**
 43 **improvement** contract but before *[making a payment to]* **paying** a subcontractor for the
 44 subcontractor’s performance covered by *[such]* **the** application, a contractor discovers that all or a
 45 portion of the payment otherwise due the subcontractor is subject to withholding from the subcon-

1 tractor in accordance with the subcontract [*agreement*], the contractor shall:

2 (a) Furnish to the subcontractor a notice conforming to the standards of subsection (8) of this
 3 section as soon as practicable [*upon*] **after** ascertaining the cause [*giving rise to a*] **for the** with-
 4 holding, but [*prior to*] **before** the due date for [*subcontractor*] payment **to the subcontractor**;

5 (b) Furnish to the contracting agency, as soon as practicable, a copy of the notice furnished to
 6 the subcontractor under paragraph (a) of this subsection;

7 (c) Reduce the [*subcontractor's*] progress payment **to the subcontractor** by an amount not to
 8 exceed the amount specified in the notice of withholding furnished under paragraph (a) of this sub-
 9 section;

10 (d) Pay the subcontractor as soon as practicable after the correction of the identified subcon-
 11 tract performance deficiency;

12 (e) Make such payment within:

13 (A) Seven days after correction of the identified subcontract performance deficiency unless the
 14 funds [*therefor*] **for the payment** must be recovered from the contracting agency because of a re-
 15 duction under paragraph (f)(A) of this subsection; or

16 (B) Seven days after the contractor recovers [*such*] **the** funds from the contracting agency;

17 (f) Notify the contracting agency upon:

18 (A) Reduction of the amount of any subsequent certified application for payment; or

19 (B) Payment to the subcontractor of any withheld amounts of a progress payment, specifying:

20 (i) The amounts of the progress payments withheld under paragraph (a) of this subsection; and

21 (ii) The dates [*that such*] **on which the** withholding began and ended; and

22 (g) Be obligated to pay to the contracting agency an amount equal to interest on the withheld
 23 payments computed in the manner provided in ORS 279C.570 from the 11th day after [*receipt of*]
 24 **receiving** the withheld amounts from the contracting agency until:

25 (A) The day the identified subcontractor performance deficiency is corrected; or

26 (B) The date that any subsequent payment is reduced under paragraph (f)(A) of this subsection.

27 (7)(a) If a contractor, after [*making payment to*] **paying** a first-tier subcontractor, receives from
 28 a supplier or subcontractor of the first-tier subcontractor a written notice asserting a deficiency in
 29 [*such*] **the** first-tier subcontractor's performance under the **public improvement** contract for which
 30 the contractor may be ultimately liable and the contractor determines that all or a portion of future
 31 payments otherwise due [*such*] **the** first-tier subcontractor is subject to withholding in accordance
 32 with the subcontract [*agreement*], the contractor may, without incurring an obligation to pay a late
 33 payment interest penalty under subsection (6)(e) of this section:

34 (A) Furnish to the first-tier subcontractor a notice [*conforming*] **that conforms** to the standards
 35 of subsection (8) of this section as soon as practicable [*upon*] **after** making [*such*] **the** determination;
 36 and

37 (B) Withhold from the first-tier subcontractor's next available progress payment or payments an
 38 amount not to exceed the amount specified in the notice of withholding furnished under subpara-
 39 graph (A) of this paragraph.

40 (b) As soon as practicable, but not later than 10 days after [*receipt of*] **receiving** satisfactory
 41 written [*notification*] **notice** that the identified subcontract performance deficiency has been cor-
 42 rected, the contractor shall pay the amount withheld under paragraph (a)(B) of this subsection to
 43 [*such*] **the** first-tier subcontractor, or shall incur an obligation to pay a late payment interest penalty
 44 to [*such*] **the** first-tier subcontractor computed at the rate specified in ORS 279C.570.

45 (8) A written notice of any withholding [*shall*] **must** be issued to a subcontractor, with a copy

1 to the contracting agency [*of any such notice issued by a contractor, specifying*], **that specifies:**

2 (a) The amount to be withheld;

3 (b) The specified causes for the withholding under the terms of the subcontract; and

4 (c) The remedial actions [*to be taken by*] the subcontractor **must take** in order to receive pay-
5 ment of the amounts withheld.

6 (9) Except as provided in subsection (2) of this section, this section does not limit or impair any
7 contractual, administrative or judicial remedies otherwise available to a contractor or a subcon-
8 tractor in the event of a dispute involving **a contractor's** late payment or nonpayment [*by a con-*
9 *tractor*] or **a subcontractor's** deficient performance or nonperformance [*by a subcontractor*].

10 (10) A contractor's obligation to pay a late payment interest penalty to a subcontractor under
11 the clause included in a subcontract under subsection (3) or (4) of this section is not [*intended to*
12 *be*] an obligation of the contracting agency. A contract modification may not be made for the pur-
13 pose of providing reimbursement of [*such*] a late payment interest penalty. A cost reimbursement
14 claim may not include any amount for reimbursement of [*such*] a late payment interest penalty.
