Measure Description:

Creates new definitions for provisions related to reduction of use of toxic substances and reduction of generation of hazardous waste.

Government Unit(s) Affected:

Department of Environmental Quality (DEQ)

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Energy and Environment to the Joint Committee on Ways and Means. HB 3492 would require major sources of hazardous air pollutants to complete a Toxics Use Reduction (TUR) plan or environmental management system. The agency anticipates having a fiscal impact associated with this bill; the amount of this impact is still being determined. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Ways and Means
