

Please recognize this email as an attempt to voice my concern about [Oregon House Bill \(HB\) 2456](#), granted I don't know the details (that is your job). In this economy my household has had to find ways to save money and find ways to make more money. Do I need to buy coffee everyday for \$5 a cup? (does the state of Oregon need to raise an overpass on HWY 22 that may see 10 cars a week?). I think it is prudent to consider where the revenue is going instead of trying to get more.

Thank You

Jesse Eaton
