Honorable Chair Representative Chris Garrett, Vice-Chair Representative Wally Hicks, Vice-Chair Representative Val Hoyle, Representative Bob Jenson, Representative Bill Kennemer, Representative Paul Holvey, Representative Phil Barnhart, Representative Vicki Berger, and Representative Michael Dembrow,

I support HJR 27

HJR 27 would provide a more stable and reasoned approach to doing the work of the people in that any changes made to our laws would be the result of careful and deliberate agreement of the various regions of our state. Bills passed would have to go through enough scrutiny to be sensible to the majority of people, their representatives regionally and practicality to make their passage possible. This would bring stability, simple and more concise rules for our people.

The rules that govern our daily lives are sometimes more taxing to our existence than the money we pay to government. I invite the additional agreement this would bring to the process.

I urge support of HJR 27.

Respectfully,  
Janice Dysinger
