Subject: Re: FW: draft agenda

Hi Troy-

Quick question for you- in terms of statistics- Leon and Scott will best be able to present economic impact.

I can present numbers in terms of number of racers that go to races in rural areas- but my main focus

would be really to show what bike racing is all about- sort of a demonstration. My plan was to show

the following video:

<https://www.youtube.com/watch?v=ul4D4tL2g-g>

Thanks!
