## SUMMARY

Directs Public Utility Commission to allow electric utility to include in its rates costs incurred in implementing and maintaining electricity storage facilities, to extent that costs are prudently incurred.

### A BILL FOR AN ACT

Relating to electricity storage facilities.

**Be It Enacted by the People of the State of Oregon:**

**SECTION 1. Section 2 of this 2013 Act is added to and made a part of ORS chapter 757.**

**SECTION 2. Subject to a hearing as described in ORS 757.210, the Public Utility Commission shall allow an electric utility, as defined in ORS 757.600, to include in its rates costs incurred in implementing and maintaining pumped-storage hydroelectric systems, compressed air energy storage systems, hydrogen storage systems, flywheel energy storage systems and other electricity storage systems, to the extent that such costs are prudently incurred.**
