The Oregon State Lottery anticipates having a fiscal impact associated with this bill, the amount of this impact is still being determined. Indeterminate factors of the bill that require further analysis include, but are not limited to: the implications of the statutory provision that builds a new directive for the Lottery, clarification of admissible measures of intent to produce revenue as the Lottery did in the biennium beginning July 1, 2011, and extent of the measure's impact to existing statutory requirements as it relates to workflow processes and FTE.
