

**PROPOSED AMENDMENTS TO
HOUSE BILL 2265**

1 On page 1 of the printed bill, line 8, after the period insert “The photo
2 radar unit may be operated only:

3 “(a) In the area within a highway work zone when highway workers, as
4 defined in ORS 811.230, are present. The photo radar unit may not be oper-
5 ated in a location more than 100 yards from where highway workers are
6 present and, in the case of a divided state highway, the photo radar unit
7 must be located on the same roadway where highway workers are present.

8 “(b) When the configuration of the roadway is temporarily changed, in-
9 cluding but not limited to temporary changes made to the number of usable
10 lanes, lane width, shoulder width or curvature of the roadway. The photo
11 radar unit may not be operated in a location more than 100 yards from where
12 the configuration of the roadway is temporarily changed and, in the case of
13 a divided state highway, the photo radar unit must be located on the same
14 roadway where the highway configuration is temporarily changed.”.

15 On page 2, after line 10, insert:

16 “(F)(i) One or more highway workers, as defined in ORS 811.230, are
17 present and the photo radar unit is operated within 100 yards from where
18 highway workers are present and located on the same roadway where high-
19 way workers are present; or

20 “(ii) The configuration of the roadway is temporarily changed within the
21 highway work zone, including but not limited to temporary changes made to
22 the number of usable lanes, lane width, shoulder width or curvature of the

1 roadway, and the photo radar unit is operated within 100 yards from where
2 the configuration of the roadway is temporarily changed and located on the
3 same roadway where the highway configuration is temporarily changed.”.

4 In line 11, restore “(G)” and delete “(F)”.
