ALLIANCE

When universities collaborate

Students win.

Arizona State University
Georgia State University
Iowa State University
Michigan State University
The Ohio State University
Oregon State University
Purdue University
University of California at Riverside
University of Central Florida
University of Kansas
University of Texas at Austin

Why:
Every child deserves
the opportunity to be educated.

What:

Universities need **strategies and tools**
to serve more low-income students.

How:
Collaboration.

OUR COLLABORATIVE WORK

INNOVATE.

SCALE.

DIFFUSE.

Lessons learned from the first year

GOALS

Together, the UIA will award more than **860,000 degrees** over the next 10 years.

68,000 more graduates than currently expected.

More than **half of these graduates** will be low-income.

When universities collaborate

Students win.
