Packaging and Labeling

## 333-008-1010 Definitions

(4) “Batch” means a quantity of usable marijuana of a single strain or a number of immature plants transferred at one time to a facility by a person authorized by a patient to transfer usable marijuana to a registered facility.

(15) “Finished product” means a useable marijuana product, including but not limited to edible products, ointments, concentrates and tinctures. A finished product does not mean dried marijuana flowers.

(39) “Usable marijuana” has the meaning given that term is ORS 475.302 and includes “finished product”.

### **333-008-1220 - Labeling**

- (1) Prior to transferring usable marijuana a PRF must ensure that a label is affixed to the usable marijuana that includes but is not limited to:
  - (a) Flowers or other usable plant material:
    - (A) Percentage of THC and CBD;
    - (B) Weight in grams;
    - (C) Testing batch number and date tested;
    - (D) Who performed the testing ; and
    - (E) Description of the product (strain).
  - (b) Finished product:
    - (A) THC and CBD potency;
    - (B) The weight or volume of useable marijuana in the packaged finished product in grams, milligrams, or milliliters, as applicable;
    - (C) Testing batch number and date tested;
    - (D) Who performed the testing; and
    - (E) Warning label in accordance with section (2) of this rule.

### 333-008-1220 – Labeling (cont'd)

(2) If the registered facility transfers a finished product, the PRF must ensure that the finished product has a warning label on the outside of the packaging that includes the following: **“WARNING: MEDICINAL PRODUCT – KEEP OUT OF REACH OF CHILDREN”** in bold capital letters, in a font size that is larger than the type-size of the other printing on the label such that it is easy to read and prominently displayed on the product.

## **333-008-1225 Packaging**

(1) For purposes of this rule:

(a) “Child-resistant safety packaging” means:

(A) Containers designed and constructed to be significantly difficult for children under five years of age to open and not difficult for adults to use properly;

(B) Opaque so that the product cannot be seen from outside the packaging;

(C) Closable for any product intended for more than a single use or containing multiple servings; and

(D) Labeled in accordance with OAR 333-008-1220.

(b) “Container” means a sealed, hard or soft-bodied receptacle in which a tetrahydrocannabinol infused product is placed prior to being transferred to a patient or caregiver.

### **333-008-1225 Packaging (cont.)**

(c) “Packaged in a manner not attractive to minors” means the tetrahydrocannabinol-infused product is not in a container that is brightly colored, depicts cartoons or images other than the Final rules for the Medical Marijuana Dispensary Program January 28th, 2015 Page 18 of 32 logo of the facility, unless the logo of the facility depicts cartoons, in which case only the name of the facility is permitted.

(2) A registered facility may not transfer any tetrahydrocannabinol-infused product that is meant to be swallowed or inhaled, unless the product is:

- (a) In child-resistant safety packaging; and
- (b) Packaged in a manner that is not attractive to minors.

## **Packaging**

### **333-008-1245 Transfers to a Patient or Designated Primary Caregiver**

(1) A registered facility may not transfer a tetrahydrocannabinol-infused product that is manufactured in a manner that is attractive to minors. For purposes of this section a product is considered to be manufactured in a manner that is attractive to minors if it is:

(a) Brightly colored; or

(b) In the shape of an animal or any other commercially recognizable toy or candy

### **333-008-1190 Testing**

(c) Finished Products. If a facility receives a transfer of a pre-packaged finished product the facility may, in lieu of testing the finished product, obtain from the individual who transferred the finished product, lab results that show the usable marijuana in the finished product was tested in accordance with this rule, and that the finished product was tested for levels of THC and CBD.

**ORS 616.010 State Department of Agriculture and Oregon Health Authority to administer and enforce food laws.** The duty of administration and enforcement of all regulatory legislation applying to:

(1) The production, processing and distribution of all food products or commodities of agricultural origin shall, in addition to such further legislation as shall specifically name the State Department of Agriculture as the administering agency, be performed by the department to the exclusion of any other department not so specifically named.

(2) The sanitation of establishments where food or drink is consumed on the premises where sold, or to sanitary practices used in such establishments, shall be performed by the Oregon Health Authority. [Amended by 1983 c.740 §230; 2009 c.595 §991]

**616.015 Cooperation between Oregon Health Authority and State Department of Agriculture.** In order to more effectively utilize the agencies of the state in the public interest and without unnecessary duplication and expense, the relationship between the production, processing and distribution of food and the public health hereby is recognized. Therefore there shall be the fullest cooperation between the Oregon Health Authority and the State Department of Agriculture.  
[Amended by 2009 c.595 §992]

**625.020 License required to operate bakery; exceptions.** (1) Except as provided in subsection (2) of this section, no person shall operate or participate in the operation of any bakery within this state without a bakery license for that bakery, issued and in effect under ORS 625.010 to 625.270.

(2) A license is not required for a domestic kitchen type bakery that is operated in behalf of a nonprofit institution or is otherwise not operated for profit. [Amended by 1975 c.312 §1]

**625.030 Application for bakery license; inspection of premises and equipment; issuance of certificate.** Application for a bakery license shall be made in writing to the State Department of Agriculture on forms supplied by the department. After receipt of the application and the fees required by rules adopted under ORS 625.180, the department shall cause to be made a proper detailed inspection of the premises and equipment or of the plans and specifications of the bakery involved. If the department finds that the premises and equipment are or will be of a sanitary construction, design or condition and that the applicant has complied with and will be able to comply with ORS 625.010 to 625.270, the application shall be approved and the department shall issue to the applicant a numbered license certificate bearing the name and address of the licensee and of the premises licensed. [Amended by 2012 c.64 §27]
