Subject: SB 716 work session

I am e-mailing you as a concerned citizen who attended a hearing on SB 716 on April 6. There was overwhelming support for termination of this bill.

I am surprised there is a possible work session scheduled for this bill on April 15. I am opposed to this bill as well as many others.

A letter from Richard Whitman of Gov. Kate Brown's office stated opposition to this bill leaving committee.

I am hoping this bill dies in committee. Thanks.
