Work Session Recommendations

---

HB 3333 relates to the use of moneys from salmon license plate registration surcharges. Under the bill, these monies transferred to OWEB could only be used to fund grants that protect or restore native salmon habitat or that improve native salmon passage. The budget bill for OWEB (SB 5540) already restricted the use of salmon plate registration surcharges to grant making.

## **Measure to Full**

LFO recommends the measure be moved to the full Joint Committee on Ways and Means.

**Motion #1: Move HB 3333 to the full committee with a “do pass” recommendation.**
