26 **(B) A zone or city may not be designated if the requirements of ORS 285C.100, if appli-**

28 **to be exceeded.**

29 **(b) If the department’s determination is negative, the notice required must state the**
30 **reasons for the negative determination.**

33 **been made by the Oregon Business Development Department under section 18 of this 2015**
34 **Act.**

35 (9) A change in the boundary of an enterprise zone under this section does not change the ter-

37 **SECTION 17. Section 18 of this 2015 Act is added to and made a part of ORS 285C.050 to**
38 **285C.250.**

39 **SECTION 18. (1)(a) No sooner than the 61st day following compliance with section 29 (1)**

12 **(c) A zone sponsor that receives a negative determination under this subsection may**
 13 **resubmit the boundary change for a determination under this section.**

14 **SECTION 19.** ORS 285C.120 is amended to read:

15 285C.120. (1) If the population density of a county increases to more than 100 persons per square
 16 mile, so that the county is no longer a sparsely populated county, any existing rural enterprise zone
 17 located wholly or partly within that county [*that was designated or that had its zone boundary*
 18 *changed*] shall continue to exist with that zone boundary until terminated. A boundary change under
 19 ORS 285C.115 that is subsequent to the date on which the county ceases to be a sparsely populated
 20 county may not add an area to the zone that:

21 (a) Is a separate area farther than five miles from the nearest point on the existing boundary;

22 (b) Increases the distance between the two points in the zone that are the farthest apart; or

23 (c) Creates a new line of distance to the farthest opposite point in the zone that is longer
 24 than the greatest distance between any two existing points in the zone.

25 (2) [*An applicant for designation*] **A zone sponsor designating a zone** under ORS 285C.065 or
 26 a sponsor [*requesting a change to*] **changing the boundary of** a rural enterprise zone under ORS
 27 285C.115 in a sparsely populated county may, **pursuant to section 10 or 18 of this 2015 Act**, seek
 28 a waiver of the distance limitations imposed on the zone under ORS 285C.090 (4). The Director of
 29 the Oregon Business Development Department shall grant all or part of the waiver if:

30 (a) The proposed designation is to be made or the proposed boundary change satisfies all other
 31 requirements for a boundary change under ORS 285C.115; and

32 (b) The director determines, consistent with rules adopted by the Oregon Business Development
 33 Department, that designation of a separate enterprise zone is not a practical option under the par-
 34 ticular circumstances, that the overall distances involved can be effectively administered and that
 35 the waiver will further the goals and purposes of ORS 285C.050 to 285C.250.

36 **SECTION 20.** ORS 285C.135 is amended to read:

37 285C.135. (1) To be an eligible business firm, a business firm must be engaged, or proposing to
 38 engage, within the enterprise zone, in the business of providing goods, products or services to busi-
 39 nesses or other organizations through activities including, but not limited to, manufacturing, as-
 40 sembly, fabrication, processing, shipping or storage.

41 (2) A business firm is not an eligible business firm if the firm is:

42 (a) Engaged within the enterprise zone in the business of providing goods, products or services
 43 to the general public for personal or household use.

44 (b) Significantly engaged in a business activity within the enterprise zone that consists of retail
 45 sales or services, child care, housing, retail food service, health care, tourism, entertainment, fi-

 2 or other similar activities, even if for another business or organization.

3 (3) If a business firm described in subsection (2) of this section engages in an activity described
 4 in subsection (1) of this section, the business firm is an eligible business firm if the activity is per-
 5 formed at a location that is separate from the activity of the firm that is described in subsection (2)
 6 of this section. Property at the location at which the firm conducts an activity described in sub-
 7 section (2) of this section may not be exempt under ORS 285C.175.

8 (4) Two or more business firms that otherwise meet the requirements of this section may elect
 9 to be treated as one eligible business firm if 100 percent of the equity interest in the business firms
 10 is owned by the same person or persons, or if one of the business firms owns 100 percent of the
 11 equity interest of the other or others.

12 (5) Notwithstanding subsections (1) to (3) of this section, each of the following business firms is
 13 an eligible business firm under subsection (1) of this section:

14 (a) A business firm engaged in the activity of providing a retail or financial service within the
 15 enterprise zone if:

16 (A) The activity serves customers by responding to orders or requests received only by tele-
 17 phone, computer, the Internet or similar means of telecommunications; and

18 (B) Not less than 90 percent of the customers or orders are located and originate in an area
 19 from which long distance telephone charges, in the absence of a toll-free number, would apply if the
 20 order were placed by telephone.

21 (b) A business firm that operates a facility within the enterprise zone that serves statewide,
 22 regional, national or global operations of the firm through administrative, design, financial, man-
 23 agement, marketing or other activities, without regard to the relationship of these activities to any
 24 otherwise eligible activities within the enterprise zone.

25 (c) A business firm that operates a hotel, motel or destination resort in the enterprise zone if
 26 the sponsor has elected under ORS 285C.070 to treat a business firm engaged in hotel, motel or
 27 destination resort operations in an enterprise zone as an eligible business firm.

28 (d) A business firm that is engaged in electronic commerce if the enterprise zone has been [*ap-*
 29 *proved*] **designated** for electronic commerce [*designation*] under ORS 285C.095.

30 **SECTION 21.** ORS 285C.175 is amended to read:

31 285C.175. (1) Property of an authorized business firm is exempt from ad valorem property taxa-
 32 tion if:

33 (a) The property is qualified property under ORS 285C.180;

34 (b) The firm meets the qualifications under ORS 285C.200; and

35 (c) The firm has entered into a first-source hiring agreement under ORS 285C.215.

36 (2)(a) The exemption allowed under this section applies to the first tax year for which, as of
 37 January 1 preceding the tax year, the qualified property is in service. The exemption shall continue
 38 for the next two succeeding tax years if the property continues to be owned or leased by the busi-
 39 ness firm and located in the enterprise zone.

40 (b) The property may be exempt from property taxation under this section for up to two addi-
 41 tional tax years consecutively following the tax years described in paragraph (a) of this subsection,
 42 if authorized by the written agreement entered into by the firm and the sponsor under ORS
 43 285C.160.

44 (c) If qualified property of a qualified business firm is sold or leased to an eligible business firm
 45 in the enterprise zone during the period the property is exempt under this section, the purchasing

1 or leasing firm is eligible to continue the exemption of the selling or leasing firm for the balance
 2 of the exemption period, but only if any effects on employment within the zone that result from the
 3 sale or lease do not constitute substantial curtailment under ORS 285C.210.

4 (3)(a) The exemption allowed under this section shall be 100 percent of the assessed value of the
 5 qualified property in each of the tax years for which the exemption is available.

6 (b) Notwithstanding paragraph (a) of this subsection:

7 (A) If the qualified property is an addition to or modification of an existing building or structure,
 8 the exemption shall be measured by the increase in value, if any, attributable to the addition or
 9 modification.

10 (B) If the qualified property is an item of reconditioned, refurbished, retrofitted or upgraded real
 11 property machinery or equipment, the exemption shall be measured by the increase in the value of
 12 the item that is attributable to the reconditioning, refurbishment, retrofitting or upgrade.

13 (4)(a) An exemption may not be granted under this section for qualified property assessed for
 14 property tax purposes in the county in which the property is located on or before the [*effective date*
 15 *of the*] **date on which:**

16 (A) Designation of the zone **becomes final under section 10 of this 2015 Act;** or

17 (B) [*Approval of*] A boundary change for the zone **becomes final under section 18 of this 2015**
 18 **Act** if the property is located in an area added to the zone.

19 (b) An exemption may not be granted for qualified property constructed, added, modified or in-
 20 stalled in the zone or in the process of construction, addition, modification or installation in the
 21 zone on or before the [*effective date of the*] **date on which:**

22 (A) Designation of the zone **becomes final under section 10 of this 2015 Act;** or

23 (B) [*Approval of*] A boundary change for the zone **becomes final under section 18 of this 2015**
 24 **Act** if the property is located in an area added to the zone.

25 (c) An exemption may not be granted for any qualified property that was in service within the
 26 zone for more than 12 months by January 1 of the first assessment year for which an exemption
 27 claim is made.

28 (d) An exemption may not be granted for any qualified property unless the property is in use
 29 or occupancy before July 1 of the year immediately following the year during which the completion
 30 of the construction, addition, modification or installation occurred.

31 (e) Except as provided in ORS 285C.245, an exemption may not be granted for qualified property
 32 constructed, added, modified or installed after termination of an enterprise zone.

33 (5) Property is not required to have been exempt under ORS 285C.170 in order to be exempt
 34 under this section.

35 (6) The county assessor shall notify the business firm in writing whenever property is denied
 36 an exemption under this section. The denial of exemption may be appealed to the Oregon Tax Court
 37 under ORS 305.404 to 305.560.

38 (7) For each tax year that the property is exempt from taxation, the assessor shall:

39 (a) Enter on the assessment roll, as a notation, the assessed value of the property as if it were
 40 not exempt under this section.

41 (b) Enter on the assessment roll, as a notation, the amount of additional taxes that would be
 42 due if the property were not exempt.

43 (c) Indicate on the assessment roll that the property is exempt and is subject to potential addi-
 44 tional taxes as provided in ORS 285C.240, by adding the notation "enterprise zone exemption (po-
 45 tential additional tax)."

1 **SECTION 22.** ORS 285C.180 is amended to read:

2 285C.180. (1) The following types of property are qualified for exemption under ORS 285C.175:

3 (a) A newly constructed building or structure.

4 (b) A new addition to or modification of an existing building or structure.

5 (c) Any real property machinery or equipment or personal property, whether new, used or re-
6 conditioned, that is installed on property that is owned or leased by an authorized business firm,
7 and:

8 (A) Newly purchased or leased by the firm, unless the property is described in ORS 285C.175
9 (4)(a); or

10 (B) Newly transferred into the enterprise zone from outside the county within which the site
11 of the firm is located and installed.

12 (d) Any property otherwise described in this section that is owned or leased and operated by a
13 business firm that is engaged in electronic commerce, if **designation of** the enterprise zone in which
14 the property is located [*is*] **as** a zone [*approved*] for electronic commerce [*designation under ORS*
15 *285C.095*] **is final under section 14 of this 2015 Act.**

17 (a) The property meets or exceeds the minimum cost requirements established under ORS
18 285C.185;

19 (b) The property satisfies applicable usage, lease or location requirements established under
20 ORS 285C.185;

21 (c) The property was constructed, added, modified or installed to further the production of in-
22 come;

23 (d) The property is owned or leased by an authorized business firm;

24 (e) The location of the property corresponds to the location as set forth in the application for
25 authorization of the business firm and consists of a single site or multiple sites adjacent to or having
26 comparable proximity to each other, within the boundaries of the enterprise zone;

27 (f) The property is the same general type of property as described in the application for au-
28 thorization; and

29 (g) In the case of an eligible business firm described in ORS 285C.135 (5)(b), the actual invest-
30 ment at the facility of the firm is consistent with the description set forth in the application for
31 authorization.

32 (3) Notwithstanding subsection (1) of this section, the following property is not qualified for ex-
33 emption under ORS 285C.175:

34 (a) Land.

35 (b) Property that was not in use or occupancy for more than a 180-day period that ends during
36 the preceding assessment year.

37 (c) On-site developments that, consistent with ORS 307.010, are assessed as land.

38 (d) Noninventory supplies, including but not limited to lubricants.

39 (e) Any operator-driven item of machinery or equipment or any vehicle, if the item or vehicle

43 a mode of transportation beyond the enterprise zone boundary.

44 (4) Subsection (3)(b) of this section does not apply to the first assessment year for which the
45 property is exempt under ORS 285C.175.

1 (5) For purposes of this section and ORS 285C.175, property includes any portion or incremental
2 unit of property that is newly constructed or installed, or that is a new addition to or modification
3 of an existing building or structure.

4 **SECTION 23.** ORS 285C.245 is amended to read:

5 285C.245. (1) When the termination of an enterprise zone occurs under this section:

6 (a) The termination of the enterprise zone does not affect:

7 (A) The continuation of a qualified business firm's property tax exemption first allowed before
8 the effective date of the termination of the enterprise zone; or

9 (B) The ability of an authorized business firm to claim exemption under ORS 285C.175 if:

10 (i) The authorization application of the firm was filed with the sponsor before the effective date
11 of the termination of the zone;

12 (ii) The firm remains authorized at the time the exemption is claimed;

13 (iii) The firm completes construction, addition, modification or installation of the qualified
14 property within a reasonable time and without interruption of construction, addition, modification
15 or installation activity; and

16 (iv) The property meets all other applicable requirements for exemption under ORS 285C.175.

17 (b) A business firm that is currently authorized or qualified in the enterprise zone shall be al-
18 lowed until 10 years after the effective date of the termination of the enterprise zone to apply for
19 authorization under ORS 285C.140 and to subsequently claim the exemption for any qualified prop-
20 erty that is constructed, added, modified or installed inside the former enterprise zone boundaries,
21 as those boundaries existed at the time of termination, and entirely outside of the boundaries of any
22 current enterprise zone. Construction, addition, modification or installation of qualified property
23 must commence prior to the end of the final tax year in which qualified property of the firm is ex-
24 empt under ORS 285C.175 and must be completed within a reasonable time and without interruption
25 of construction, addition, modification or installation activity. The property must meet all other ap-
26 plicable requirements for exemption under ORS 285C.175.

27 (c) Disqualification under ORS 285C.240 of all exempt property of the business firm after the
28 effective date of the termination of the enterprise zone shall prohibit and terminate all authori-
29 zations sought or obtained by the business firm that would not otherwise be allowed except for
30 paragraph (b) of this subsection. Disqualification under ORS 285C.240 of all exempt property of the
31 business firm on or after the effective date of the termination of the enterprise zone shall cause the
32 assessor to deny any claim for exemption under ORS 285C.175 of qualified property of the business
33 firm made in a subsequent tax year.

34 (2) An enterprise zone designated [*by the Director of the Oregon Business Development Depart-*
35 *ment*] under ORS [285C.080,] **285C.065**, 285C.085 or 285C.250 shall terminate when 10 years plus that
36 number of days necessary to delay the date of termination to the June 30 next following have
37 elapsed since the enterprise zone was originally designated.

38 (3) An enterprise zone designated [*by the director*] under ORS [285C.080,] **285C.065**, 285C.085 and
39 285C.250 shall terminate prior to the time specified in subsection (2) of this section only as provided
40 in subsections (4) to (6) of this section.

41 (4) The governing body of the sponsor may submit a resolution requesting termination of the
42 enterprise zone to the Oregon Business Development Department. The sponsor shall provide copies
43 of the resolution to the county assessor and the Department of Revenue. After receipt of the request,
44 the director shall order termination of the enterprise zone and shall specify the effective date of the
45 termination.

1 (5) If a sponsor is unable or unwilling to carry out its responsibilities under ORS 285C.105, the
 2 director shall order termination of the enterprise zone and shall specify the effective date of the
 3 termination. However, in the case of failure to provide enhanced local public services, local incen-
 4 tives or local regulatory flexibility [*included in the application for designation as an enterprise zone*
 5 *or in the resolution under ORS 285C.115 (7)*], termination is not required if the sponsor provides to
 6 authorized or qualified business firms new enhanced local public services, local incentives or local
 7 regulatory flexibility that is of comparable value, or makes reasonable corrections of shortcomings
 8 in existing local incentives. A sponsor may reduce the time within which it will provide enhanced
 9 local public services, local incentives and local regulatory flexibility to a time period equal to the
 10 amount of time allowed for an exemption under ORS 285C.175 without causing termination under
 11 this section.

12 (6) An enterprise zone designated on or after January 1, 2004, shall terminate if no qualified
 13 business firm has located within the zone by December 31 following the date that is six years after
