

**Department of Administrative Services
Compensation Plan Changes**

On February 24th, the General Government Subcommittee voted to recommend acknowledging receipt of a report from the Department of Administrative Services on compensation plan changes.

The report covers the bargaining agreements with the State Teacher Education Association, selective salary adjustments to the Administrative Law Judge classification, and implementation of a new Investment Analyst position classification within Oregon State Treasury.

DAS estimates the total cost of the agreements in the report will be \$222,354 General Fund and \$237,774 total funds for the 2015-17 biennium. With roll-up costs, the 2017-19 impact is \$400,538 General Fund and \$442,478 total fund.

The General Government Subcommittee recommends approval.
