Public Hearing

- HB 2101
Sunsets certain exemptions from disclosure for public records.
- HB 3361
Directs State Chief Information Officer to appoint Chief Data Officer to maintain web portal for publication of data of state agencies.
- HB 3399
Requires State Chief Information Officer by rule to require contracting agency that undertakes information technology initiative to provide in solicitation documents and public contract that contractor that supplies electronic database or structured collection of electronically stored data must supply contracting agency with capability to export data in nonproprietary open format and to redact from data information that contracting agency may not disclose.

Work Session

Possible Introduction of Committee Measures

Send materials or presentations to the email at the top of the agenda 24 hours in advance of the meeting date.
