RE: HB 2101 (2017)

Dear Ms. Chair:

Please accept this letter and the attachments as my written testimony on HB 2101. The longer of the two attachments is identical to my previously-submitted written testimony on SB 106 (2017) (Senate Committee on General Government and Accountability) and to the testimony I have submitted on SB 481. The submission addresses HB 2101 as well. I would like to make it part of my testimony on HB 2101. The shorter of the two attachments is a two-page summary of the longer submission.

I will not be attending the public hearing on the bill. Thank you very much for considering this submission.

Sincerely,

/s/
