**Oregon Progressive Party
Position on Bill at 2017
Session of Oregon Legislature:**

SB 828: Support

Dear Committee:

The Oregon Progressive Party (OPP) supports this bill, which requires employers to pay employee equivalent of at least four hours of work if employee is scheduled or called in to work but, due to employer, does not work entire shift.

Considering the difficult of getting around in the Portland area, four hours of pay would seem the minimum appropriate.
