

Dear Oregon Promise,

My daughter, Cassidy Johnson, has recently re-applied for your grant. We are grateful for your generosity of money/support last year.

Cassidy is a smart young lady with a bright future. As of now, she plans on plowing through her education at RCC during the summer months and continuing school until she earns her Associate of Arts Oregon Transfer Degree. From there she plans on attending Western Oregon University to get a degree in business!

Unfortunately, she did not qualify for Financial Aid next year. I am not sure why, as we are not making any more money this year. My husband and I both work and have always provided for our 3 daughters (who are 12, 18 & 21 years old). Even though there isn't a lot left over after bills are paid, we are always thankful for being able to provide for what we do have.

We would love for you to consider Cassidy as a recipient of an Oregon Promise grant for the upcoming year. Cassidy is a great student who studies hard and is truly enthusiastic about college.

Thank You for your consideration!

Pam Johnson
