Position on Bill at 2017
Session of Oregon Legislature:**

HB 2101: Support Withdrawn

Dear Committee:

We have become aware of better alternatives than having a joint committee of the Oregon Legislature review the exemptions from disclosure under the Public Records Act.

The better alternative is to send the task to a Sunshine Committee that involves legislators but also members of the public committed to open government. Such committees are in place in Washington, Maine, and Virginia.

Consequently, the Oregon Progressive Party withdraws supports for HB 2101.
