Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituents because a) we vote and b) without rent control, most of us who are contributing to making Oregon a great place to live will have to move elsewhere. If you're comfortable contributing to skyrocketing homelessness rates as well as brain drain for the state, that's fine but guess what? Those of us still here will remember that when your term is up. And without rent control or a job it might be tough for you to stay here in Oregon as well.

Thanks for voting in rent control!
