Court reporters provide the written record instantaneously, making the record available literally at your fingertips, whether 6 feet away or thousands of miles away.

Directions to access real-time court reporting transcript.

1. Make sure you have a **wifi connection**. If not, connect to the room's wifi.

2. Go to web browser (i.e. Safari, Chrome)
   Type: **connect.eclipsecat.com**
   CLICK ON THE YELLOW LIGHTNING BOLT to connect.

3. Choose: **Room 1**

4. Choose File Name: **HB 3242A**

5. Type Password: **live**

6. **Connect** by clicking on the green checkmark.

(If you have any trouble connecting, please go the the App store and download the free "Bridge Mobile" app.
Then when you click on the app, all you need to do is click on the yellow lightning bolt, choose **Room 1, HB 3242A,** and type **"live"** for the password. Then click the green checkmark to connect.)
