Dry RV Camping

One of the best locations to be during our festival weekend is on Independence Landing. The location has a great view of the Willamette River, and is only about a 3 minute walk from the action in Riverview Park and the buzz of downtown. The Dry RV spots will accommodate Class A, B and C motorhomes as well as travel trailers. Spots are extremely limited, so reserve your space now.

Car & Tent Camping

Car camping spots are 12'x 30'. Campsites are assigned as campers arrive, plan to arrive together if you would like to be near your friends. These spaces allow you to camp next to your car. Only one car is allowed per camping spot. This location is parallel to The Willamette River and is just a short walk to downtown and all of the weekend festivities.

Tent Camping

Tent only camping spots are on a 10'x15' grass spot. Each campsite comes with one overnight parking spot to leave your car. Your car will be located in the parking lot adjacent to the campgrounds, and may not be in close proximity to your camp spot..
