**Re:** HB 2295 Water Resources Department – fee bill

---

**Senator Frederick:** “HB 2295 increases certain fees and fee schedules for the Water Resources Department. The bill also modifies the provisions of law, that would have otherwise reverted those fees back to their 2009 rates, to conform with the increase in fees.

The fees addressed in the bill currently provide approximately \$2.9 million of the \$8.67 million in total fee revenue generated by the Water Resources Department. The additional revenue anticipated due to the fee increases in the measure total \$471,508; an increase in total fee revenue of 5.4%.

The Natural Resources Subcommittee recommends HB 2295 be reported out do pass.”
