The board shall by rule establish the manner in which installments will be adjusted to reflect investment gains and losses on the unpaid balance during the payout period elected by the member under this subsection. The board by rule may establish minimum monthly amounts payable under this subsection. The board may require that a lump sum payment, or an installment schedule different

than the schedules provided for in this subsection, be used to pay the vested amounts in the member's accounts if those amounts are not adequate to generate the minimum monthly amounts specified by the rule.

(3) A member of the individual account program electing to receive installments under subsection (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies before all amounts in the employee and vested employer accounts are paid, all remaining installment payments shall be made to the beneficiary or beneficiaries designated by the member.
