

**REVENUE IMPACT OF
PROPOSED LEGISLATION**
79th Oregon Legislative Assembly
2017 Regular Session
Legislative Revenue Office

Bill Number: SB 33

Date: 2/8/2017

*Only Impacts on Original or Engrossed
Versions are Considered Official*

This office has reviewed the proposed legislation and determined that it has

Minimal Revenue Impact

The measure changes the monthly calculation of interest to a daily calculation. This could result in very minor changes to the interest as it is currently calculated. However, the direction of these changes is not known and would average to zero over time. The changes apply to amounts owed by the Department of Revenue to taxpayers and the amounts that taxpayers owe to the Department of Revenue.
