39 in order to:

40 (a) Enhance the statewide transportation network;

15 participate in those decisions and divisions.

16 (4) The Legislative Assembly deems the procedures and requirements provided for in
17 sections 1 to 12 of this 2017 Act, under the unique circumstances of the Southwest Corridor

17 (8) The court shall decide the matter at its earliest practicable convenience, consistent
18 with sections 1 to 12 of this 2017 Act. The court may decide the matter on the briefs or it
19 may hold oral arguments.

20 (9)(a) The court may reverse or remand the order only if the commission finds that the

 31 who provide oral or written testimony at the hearing and who also provide a written request

11 (d) Failure by a person to raise an issue at the hearing, in person or in writing, or failure
 12 to raise an issue with sufficient specificity to afford the council an opportunity to respond
 13 to the issue raised, shall preclude appeal by that person to the board based on that issue;

30 (10) The council is not required to provide any opportunities in addition to those de-
 31 scribed in this section for interested persons to participate in the proceedings of the council

 34 of this section.

35 (11) The council shall close the hearing and shall adopt a land use final order by resol-
 36 ution or continue the matter as provided in section 7 (1) of this 2017 Act or as the council
 37 otherwise considers necessary for the purpose of adopting a land use final order.

44 (b) If the council refers the proposed locations back to TriMet for further review, TriMet

3 (2)(a) The council shall adopt a land use final order establishing the project improve-
 4 ments, including their locations, as provided in this section and section 6 of this 2017 Act.

5 (b) The council shall include with the land use final order a statement of findings dem-
 6 onstrating how the decisions on the project improvements, including their locations, comply
 7 with the criteria.

8 (c) Following adoption of a land use final order, the council as soon as reasonably prac-
 9 ticable shall:

10 (A) Publish notice of the adoption in a newspaper of general circulation within Metro's
 11 jurisdictional area; and

12 (B) Provide notice of the adoption to persons who:

13 (i) Provided oral or written testimony at the hearing; and

14 (ii) Provided at the hearing a written request for notice and a mailing address to which
 15 written notice shall be sent. Persons whose names appear on petitions submitted into the
 16 public hearing record are not considered by that action to have provided oral or written
 17 testimony at the hearing.

18 (3) The notice of adoption required under subsection (2) of this section shall:

19 (a) Include the date of adoption of the land use final order;

20 (b) Identify the place at and time during which a copy of the land use final order may

 23 days following adoption of the land use final order.

24 (4) Upon adoption of the initial land use final order, TriMet shall staff the steering com-

 40 provided under ORS 227.178, issue the appropriate development approval, permit, license,
 41 certificate or other approval necessary for the construction of the project or project im-
 42 provements to implement a land use final order. Development approvals, permits, licenses,
 43 certificates or other approvals may be subject only to reasonable and necessary conditions
 44 of approval but those conditions may not, by themselves or cumulatively, prevent imple-
 45 mentation of a land use final order.

1 **(2) For purposes of subsection (1)(b) of this section, an approval condition is not reason-**
 2 **able or necessary, or is considered to prevent implementation of a land use final order, if the**

 13 **subdivision does not take final action on an application for a development approval, permit,**
 14 **license, certificate or other approval as required under subsection (1) of this section, TriMet**
 15 **may file a petition for a writ of mandamus according to the procedures for cities described**
 16 **in ORS 227.179.**

17 **(b) Notwithstanding ORS 227.179 (5), the court shall issue a peremptory writ unless the**

 19 **by the Land Conservation and Development Commission under section 4 of this 2017 Act.**

20 **(4) Each affected local government, special district or political subdivision that issues a**
 21 **development approval, permit, license, certificate or other approval for the project under**
 22 **subsection (1)(b) of this section shall continue to exercise enforcement authority over the**
 23 **development approval, permit, license, certificate or other approval.**

24 **(5) An amendment to the plan or a land use regulation required under subsection (1)(a)**

13 (b) In the absence of a response, the court shall consider a person’s brief before the
 14 board to be the person’s response.

15 (3) The court shall decide the matter at its earliest practicable convenience, consistent

 17 in section 9 of this 2017 Act.

18 (4)(a) The court may decide the matter on the briefs or hold oral argument.

19 (b) The court may affirm or remand the land use final order, in whole or in part. The

 36 mitted under this subsection.

37 (8) The court shall affirm or remand the land use final order on remand according to the
 38 standards for review set forth in section 9 of this 2017 Act.

2 the approved project, or the removal, modification or deferral of measures is expressly pro-
3 vided for in a Final Statement as a condition of executing a Full Funding Grant Agreement;
4 or

5 (b) Subsequent to execution of a Full Funding Grant Agreement, the steering committee
6 determines that additional removals, modifications or deferrals are appropriate due to in-
7 sufficient funds in the budget for the project.

8 (3) The following amendments to a land use final order are not subject to review by any
9 court or agency:

10 (a) Amendments resulting from adoption of a Final Statement;

11 (b) Amendments required to ensure consistency with an executed Full Funding Grant
12 Agreement; and

13 (c) Amendments to remove, modify or defer a portion of the project as provided for in
14 subsection (2) of this section.

15 SECTION 12. An action taken by the Land Conservation and Development Commission,
16 the Metro Council, the Land Use Board of Appeals or the Supreme Court under sections 1

18 sections 1 to 12 of this 2017 Act.

19 SECTION 13. The Land Conservation and Development Commission shall adopt the order
