4 **“SECTION 1. (1) Subject to the provisions of this section, a city of this state may estab-**
5 **lish by ordinance or otherwise a program for the demolition of residences or residential**
6 **buildings. A program established under this subsection:**

7 **“(a) Must require a person performing a demolition to acquire a permit from the city**
8 **authorizing the person to perform the demolition;**

9 **“(b) If a person performing a demolition is a contractor, as defined in ORS 701.005 (5)(a),**
10 **and if a residence or residential building to be demolished was built before January 1, 1978,**
11 **must require the person, as a condition of receiving a permit under this subsection, to sub-**
12 **mit proof verifying that the person has been certified to engage in lead-based paint activities**
13 **in accordance with rules adopted by the Oregon Health Authority;**

14 **“(c) If a residence or residential building to be demolished was built before January 1,**
15 **1978, must require the person performing the demolition to comport with some or all of a list**
16 **of best practices developed and periodically updated by the authority, in consultation with**
17 **the Department of Environmental Quality, the Construction Contractors Board and other**
18 **interested stakeholders, for the purpose of containing lead particles that otherwise would be**
19 **released into the air during a demolition;**

20 **“(d) May require a person performing a demolition to provide a copy of the asbestos**
21 **survey required under ORS 468A.757 and notice of intent to perform activities related to**
22 **asbestos abatement to an agency of the city before performing the demolition; and**

23 **“(e) May provide for the dissemination to the public of a document, developed in coordi-**
24 **nation with the authority and the department, listing answers to frequently asked questions**
25 **about:**

26 **“(A) Best practices for containing lead particles that otherwise would be released into**
27 **the air during a demolition;**

28 **“(B) The asbestos survey required under ORS 468A.757; and**

29 **“(C) Asbestos abatement activities that must be conducted before a demolition.**

30 **“(2) Subsection (1)(b) and (c) of this section does not apply to the demolition of a resi-**
31 **dence or residential building built before January 1, 1978, if a person certified to inspect or**
32 **assess structures for the presence of lead-based paint in accordance with rules adopted by**
33 **the authority has determined that the residence or residential building does not contain**
34 **lead-based paint.**

35 **“(3)(a) Except as provided in paragraph (b) of this subsection, this section does not pre-**

1 vent a city from adopting ordinances or otherwise providing for the further regulation of
2 demolitions of residences and residential buildings.

3 “(b) After any best practices are developed as described in subsection (1)(c) of this sec-
4 tion, a city may not adopt ordinances regarding, or otherwise provide for, best practices for
5 the purpose of containing lead particles that otherwise would be released into the air during
6 a demolition that are in addition to any best practices developed and updated as described in
7 subsection (1)(c) of this section.

8 “SECTION 2. (1) Section 1 of this 2017 Act becomes operative on January 1, 2018.

9 “(2) The Oregon Health Authority, the Department of Environmental Quality and the
10 cities of this state may take any action before the operative date specified in subsection (1)
11 of this section that is necessary to enable the authority, the department and the cities of this
12 state to exercise, on and after the operative date specified in subsection (1) of this section,
13 all the duties, functions and powers conferred on the authority, the department and the
14 cities of this state by section 1 of this 2017 Act.

15 “SECTION 3. This 2017 Act takes effect on the 91st day after the date on which the 2017
16 regular session of the Seventy-ninth Legislative Assembly adjourns sine die.”.
