4 the employee is already working and the employee consents to take

3 employer's usual and customary procedure is nondiscriminatory and  
4 that hours are not distributed in a manner intended to avoid applica-

28 hiring an additional employee.

29 “(4) This section does not require the employer to offer employees  
30 work hours paid at the overtime premium or prohibit the employer

1 from offering such work hours.

2 “(5) This section does not prevent an employer from considering  
3 seniority in offering additional hours of work to existing employees.

4 “(6) The Commissioner of the Bureau of Labor and Industries shall  
5 create and distribute a model notice in English, Spanish and other  
6 languages that are necessary for an employer to comply with the no-
