

Please do NOT embrace the personal vendetta thru legislation and pass this shameful measure. <https://olis.leg.state.or.us/liz/2018R1/Downloads/CommitteeMeetingDocument/147085>

As a concerned and committed PPS parent, this is awful and another way our elected officials are ruining our schools and oversight of our schools. spend time on more meaningful action, not politically motivated and mean spirited junk like this. The Democratic representatives who voted for this will NEVER have my support at the polls - period.
