censed physician; and 1  $\mathbf{2}$ [(b)] (B) Medically necessary for the treatment of hearing loss in an enrollee in the plan who is: 3 4 [(A)] (i) 18 years of age or younger; or [(B)] (ii) 19 to 25 years of age and enrolled in a secondary school or an accredited educational 5 institution. 6 7 (b) Ear molds and replacement ear molds: (A) Up to four times per plan year for enrollees who are younger than eight years of age; 8 9 and 10 (B) At least once per year for enrollees who are: (i) Eight to 18 years of age; or 11 12(ii) 19 to 25 years of age and enrolled in a secondary school or an accredited educational institution. 13 (c) One box of replacement batteries per year for each hearing aid. 14 15 (d) Necessary diagnostic and treatment services at least twice per year for enrollees who are younger than four years of age and at least once per year for enrollees who are four 16 years of age or older, including: 17 18 (A) Hearing tests appropriate for an enrollee's age or developmental need; 19 (B) Hearing aid checks; and (C) Aided testing. 20(e) Bone conduction sound processors, if necessary for appropriate amplification of the 21 22hearing loss. 23(f) Hearing assistive technology systems for an enrollee who is younger than 19 years of age, if necessary for appropriate amplification of the hearing loss. 24 [(3)(a) The maximum benefit amount required by this section is \$4,000 every 48 months, but a 25health benefit plan may offer a benefit that is more favorable to the enrollee. An insurer shall adjust 2627the benefit amount on January 1 of each year to reflect the increase since January 1, 2010, in the U.S. City Average Consumer Price Index for All Urban Consumers for medical care as published by the 28Bureau of Labor Statistics of the United States Department of Labor.] 2930 [(b)] (3) An insurer may not impose any financial or contractual penalty upon an audiologist if 31 an enrollee elects to purchase a hearing aid or other device priced higher than the benefit amount by paying the difference between the benefit amount and the price of the hearing aid or other de-32vice. 33 34 (4) A health benefit plan shall provide the benefits described in subsection (2)(a), (e) and (f) of this section: 35(a) Every 36 months; or 36 37 (b) For hearing aids, more frequently than every 36 months if modifications to an existing hearing aid will not meet the needs of an enrollee who is: 38 (A) Under 19 years of age; or 39 (B) 19 to 25 years of age and enrolled in a secondary school or an accredited educational 40 institution. 41 (5) An insurer must contract with pediatric audiologists in sufficient numbers and ge-42 ographic locations in this state to comply with ORS 743B.202 and 743B.505. 43 (6) Insurance producers shall ensure that enrollees have access to navigators or other 44 assisters to facilitate the diagnosis of hearing loss and needed amplification and ensure that 45

## HB 4104

technologies are available to treat hearing loss in enrollees who are 19 years of age or 1  $\mathbf{2}$ younger. Upon receiving a claim for reimbursement for the diagnosis of hearing loss, an 3 insurer shall provide notice of the coverage limits to the enrollee or to the parent or legal guardian of the enrollee. With respect to enrollees with hearing loss who are younger than 4  $\mathbf{5}$ 19 years of age, an insurer shall provide educational materials to the parent or legal guardian of the enrollee and shall have a process in place to ensure that appropriate technologies are 6  $\mathbf{7}$ available. 8 [(4)] (7) The payment, coverage or reimbursement required under this section may be subject to

provisions of the health benefit plan that apply to other durable medical equipment benefits covered
by the plan, including but not limited to provisions relating to deductibles, coinsurance and prior
authorization.

12 [(5)] (8) This section is exempt from ORS 743A.001.

<u>SECTION 3.</u> The amendments to ORS 743A.140 and 743A.141 by sections 1 and 2 of this
 2018 Act apply to health benefit plans for which the Department of Consumer and Business
 Services has not approved rates as of the effective date of this 2018 Act.
