SUPPORT HB 2238 & HB 2239

The Association of Oregon Counties and its 36 member counties appreciate the work and partnership it has with the Judicial Department and its circuit courts and judges. County Commissioners, sheriffs, district attorneys, justices of the peace, community corrections directors, and juvenile department directors and their staff work hand in hand with the courts every day.

We support additional judges so that courts can continue to handle the high workload of cases from our public safety system. We also support making sure that judges' salaries are competitive in order to recruit and retain the most qualified individuals for these important positions.

Please vote YES on HB 2238 & HB 2239
