# JUSTICE REINVESTMENT SUMMIT

FEB. 13-15, 2019 | SALEM CONVENTION CENTER

The Summit is your opportunity to hear from dozens of local and national experts about successful, innovative and effective criminal justice, reinvestment and community policing strategies.

You will learn about these topics and more:

- How Norway is reinventing its criminal justice system with innovative strategies, reducing crime and incarcerations.

- The ground-breaking "You Have Options" program, which offers victims varied options for reporting sexual assaults to law enforcement.

- The successful Yellow Line Project, which reduces incarceration by helping law enforcement, prosecutors and others deal more effectively with low-level offenders who have acute mental health or substance-abuse issues.

- Keynote address by juvenile justice reformer and expert Vincent Schiraldi.

The Summit is free to attendees, and participants traveling from more than 60 miles away are eligible to apply for free lodging.
