Senate Committee On Veterans and Emergency Preparedness

Prepared By: C. Ross, LPRO Analyst

Meeting Dates: 2/13

WHAT THE MEASURE DOES:

Lifts sunset on the Interstate Compact on Educational Opportunity for Military Children.

ISSUES DISCUSSED:

- Number of students currently served (about 1,703)
- Current governing council membership and practice
- Request for feedback from Coast Guard

EFFECT OF AMENDMENT:

[-1 amendment] Makes modifications consistent with current practice: adds Deputy Superintendent of Public Instruction and members of State Board of Education to Compact council; changes meetings of Council from every three months, to annually; and replaces Oregon Military Department with Department of Education for staffing purposes.

BACKGROUND:

In 2014, the Legislature enacted Senate Bill 1506, enabling Oregon to participate in the Interstate Compact on Educational Opportunity for Military Children (the Compact). The Compact is concerned with the smooth transfer of students from school to school, who are the children of military parents. An Interstate compact functions like a contract among participating states: each state enacts substantially similar provisions and avoids making unilateral changes to material terms, in order to provide relative consistency from state-to-state. Oregon's participation in the the Compact is scheduled to sunset December 31, 2019. Senate Bill 690 lifts the sunset.
