Re: SB 608
Please support SB 608.

Though I have a 4 year college degree I am only making \$13.36/hr (40 hours a week) and it is very hard to save enough money for retirement due to apartment rent costs. I look for better jobs but I can't find any that I qualify for that pay considerably more than I currently make. Most of the jobs I see listed are more manual labor jobs, but I want to get out of that type of work and do an office job hopefully in finance that makes use of my business degree. I do have great health plan through my employer thankfully.

Sincerely,
Gavin Young
