

Testimony in support of HB 2631
House Committee on Judiciary
Submitted by Alverda McCoy
February 18, 2019

Dear Chair Williamson, Co-Chairs Gorsek and Sprenger, and Members of the Committee:

I am writing in support of HB 2631 my name is Alverda McCoy and I have been formerly incarcerated and faced a lot of debt when I returned to society that caused stress and thoughts of criminal thinking, because you only know one way to take care of it . I believe if I would have had another way to face these issues there would have not been a return to prison.

I hope that you will support HB 2631. Thank you for your consideration.

Sincerely,
Alverda McCoy
