Port of Portland
Real ID Update

PDX - The Region's Gateway to the US and the World

- 19.9 million passengers last year
  - About 50% of passengers from the region (~5M; 70-75% are from OR)
  - 50% of PDX passengers fly 4 or more times a year
  - 15% of PDX passengers fly only once a year

- Our goal is to communicate to PDX passengers that they will need a Real ID-compliant ID when they want to fly starting October, 2020.
  - Communication outreach needs to recognize equity issues
