Subject: I support bill HB2314
Date: Monday, February 18, 2019 7:01:31 PM

As a rider of over 20 years on Oregon roads I personally know the dangers of sitting at a stop on a road. In 1998 I was struck from behind as I waited for stopped traffic causing significant injuries and damage. Lane sharing allows for motorcycles to move and reduces the risk to the rider. Please support this bill.
