

HB 2452: Changes to improve the Property Tax Deferral Program

Testimony for House Revenue – Jody Wisner – 2.20.21

We commend this legislation that seeks to provide better access to some of the seniors and disabled Oregon's property tax deferral program is intended to benefit.

It appears that the program has adequate assets to support the expansion, and the limitations on growth should protect it should that not be true.

We read the bills and follow the money
