DRAFT

SUMMARY

Requires State Board of Education, in consultation with Oregon Health Authority, Oregon State Board of Nursing and State Board of Pharmacy, to adopt rules that require each high school in this state and each charter school in this state that offers high school curriculum to maintain supply of opioid antagonist and to train adequate number of school personnel in administering opioid antagonist to person that has suffered opioid overdose.

1   **A BILL FOR AN ACT**

2   Relating to responses to opioid overdoses in schools in this state.

3   **Be It Enacted by the People of the State of Oregon:**

4   **SECTION 1. (1) As used in this section, "opioid antagonist" means**

5   **a medication, in any form available for safe administration, that is**

6   **designed to rapidly reverse an overdose of an opioid drug.**

7   **(2) The State Board of Education, in consultation with the Oregon**

8   **Health Authority, the Oregon State Board of Nursing and the State**

9   **Board of Pharmacy, shall adopt rules that require each high school in**

10 **this state and each charter school in this state that offers a high**

11 **school curriculum to:**

12   **(a) Maintain a supply of an opioid antagonist that is adequate to**

13 **serve the student population and is easily accessible on the school**

14 **campus or at the school facility; and**

15   **(b) Train and prepare an adequate number of school personnel in**

16 **administering an opioid antagonist to a person that has suffered an**

17 **opioid overdose.**

18   **(3) The Department of Education by rule may offer, prescribe or**
