

Good evening distinguished legislators! I am imploring you to vote no on HB3063. Please remember you were put in to office by the people to stand for the people! The people in your districts and state trusted you to be their voice! They need you now more than ever to stand by their right to choose what is best for them and their families! I do not believe a child should be excluded from schools because the parent chooses to exempt their child from one or more vaccines due to religious or philosophical reasons. Our rights as the founding Fathers penned them should be upheld by you today. Please vote no on HB 3063.

Sincerely,  
Lizbeth Orantes
